## Gospel of John

---

*Passage: John 17*

*Date: June 14-15*

Can you share about a time when you were moved by someone praying for you? Why do you think that prayer was so touching?

Referencing chapter 17, list the things Jesus asks the Father to do for those God gives him.

Why do you think Jesus prayed this prayer aloud with his disciples?

Think of the disciples listening to Jesus as he prays. As one of the disciples, what would you find most encouraging? The most concerning?

As a disciple listening, how would it have struck you to hear Jesus praying that you are one who obeys God's word, accepts God's word, knows with certainty and has glorified Jesus? (The disciples' track record, like ours, was less than spotless.)

For whom should I be praying in this same spirit?
